Oaklands Community College Enrolment for 2016/2017

Dear Parent/Guardian

I would like to take the opportunity to make you aware of the arrangements for enrolment of your son/daughter in Oaklands Community College for the forthcoming year.

Over the last 6 years, Oaklands Community College has experienced a significant increase in enrolment year on year. This resulted in an intake of 173 students last year. It is obvious that Oaklands Community College has now become the school of choice for many families in the catchment area. This increase in numbers is reflective of the hard work of staff, management and parents over the last 6 years.

In order to sustain the quality of teaching and learning in the school, I feel it will be necessary to limit the intake of students for the coming year. With this in mind, and in accordance with current legislation, we will be offering places in accordance with our Admissions Policy. The Admissions Policy is available on our website www.oaklandsccl.ie or alternatively, you can request a copy from the School Secretary.

Our Open Week will take place from Monday 9th – Friday 13th November 2015.

6th Class students from all feeder Primary School will be given the opportunity to visit the school on Tuesday 10th November 2015. Parents are welcome to visit the school during our Open Evening.

- Open Day - Tuesday 10th November 2015
- Open Evening for Parents - Tuesday 10th November, 7.00-9.00pm
- Final Enrolment Day - Saturday 14th November 2015

Our closing date for enrolment will be Saturday 14th November at 12 noon.

I will visit all schools in the next month and distribute an information pack to all students.

Application forms cannot be accepted prior to Monday 9th Nov 2015

However applicants who have brothers or sisters in the school will be given the opportunity to enrol prior to this date.

If you would like further information in relation to any aspect of this process, please feel free to contact me.

Yours faithfully

Gerry Connolly

Principal
